**Allowable Subject Matter**

1. Claims 4-8, 10-19, 21, 24-27 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach that, wherein the shape of said meandered antenna is the first end of said meandered antenna extending right a first horizontal segment and extending upward a first vertical segment, extending left a second horizontal segment and extending upward a second vertical segment, extending right a third horizontal segment and extending, downward a third vertical segment, and extending left a fourth horizontal segment and extending downward a fourth vertical segment in dependent claims 4 and 21.

The prior art does not teach that, wherein the shape of said first meandered antenna is: the first end of said first meandered antenna extending right a first horizontal segment and extending upward a first vertical segment, extending left a second horizontal segment and extending upward a second vertical segment, extending right a third horizontal segment and extending downward a third vertical segment, extending left a fourth horizontal segment and extending downward a fourth vertical segment and extending right a fifth horizontal segment in dependent claims 10 and 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Rutkowski et al (US 6,204,826) and Sanford et al. (US 6,424,300) are cited to show a plurality of antennas.
